Mostafa Rabee Elshall

Soc Analyst Trainee

rabeamostafa10@gmail.com +201096518476 Cairo , Egypt www.linkedin.com/in/moustafa-elshall

SUMMERY

Cybersecurity trainee with hands-on experience in SOC operations, threat detection, and incident response. Developed strong foundational knowledge through structured training programs at DEPI, focusing on vulnerability assessment, and security monitoring. Driven to grow as a SOC Analyst by applying practical skills in log analysis, threat investigation, and defensive security within real-world environments.

EDUCATION

Bachelor of Engineering – Computer Engineering & Computer Science Oct 2022 – Jul 2027
Faculty of Engineering, Menoufia University
GPA: 3.48 / 4.0
Grade : Very Good

PROFESSIONAL EXPERIENCE

Infrastructure and Security - Information Security Analyst Nov 2025 – Present
Digital Egypt Pioneers Initiative
• Accepted into a practical cybersecurity training program focusing on infrastructure security and fundamental security concepts.
• Currently learning data encryption, security system implementation, and log/event monitoring.
• Gaining exposure to network security, threat analysis, and incident handling.
- **Courses included in the program:** Prompt Engineering, SOC Essentials, Security Operations & Management, Vulnerability Management, Cyber Threats & IoCs, Incident Logging, SIEM Detection, Incident Response, Reporting, Capstone Project .

COURSES

- CCNA Online - Self Study
- CompTIA Security+ (SY0-601) Online (NETRIDERS) - Self Study
- EjptV2 Online (NETRIDERS) - Self Study
- Red Hat System Administration 1 Online (Mahara-Tech) - Self Study
- Pre-Security Certificate Online (TryHackMe) - Self Study
- Cyber Security 101 Certificate Online (TryHackMe) - Self Study
- SANS SEC450 – GSOC Online (NETRIDERS) - Self Study

TECHNICAL SKILLS

Network Analysis Tools
Wireshark & Nmap

SIEM Platforms
Splunk, ELK Stack (Elasticsearch, Logstash, Kibana), Wazuh SIEM

Threat Detection & Incident Response
TheHive, Cortex

Web & Application Testing
Burp Suite

Offensive Security & Pentesting
Metasploit

Languages
C++, C#, Python ,Bash

Soft Skills
- Teamwork & Collaboration
- Time Management & Work Under Pressure
- Self-Study & Continuous Learning
- Communication Skills (Technical & Non-Technical)
- Adaptability & Quick Learning
